Good day:

This letter of declaration is to inform you that the Path-Away® product ingredients are listed by the USA-FDA as; G.R.A.S. That designation indicates Generally Regarded As Safe.

That designation is approved because the content is consumable and has high efficacy yet maintains the lowest toxicity designation available.

Content for your designation includes:

- I. Purified water by means of RO (Reverse Osmosis), Distillation or Deionization.
- II. Path-Away - Citrus paradisi (Grapefruit) Fruit Extract – Active Ingredient

I certify this to be a true and accurate description.

Arthur V. Martin Ph.D. President
Principal Research Scientist
